Audrius Klišonis

audrius.klisonis@plunge.lt

With this letter, I express my respect and gratitude to the city of Plunge and to you personally, dear Mr. Audrius!

In order to establish communication and promptly resolve organizational issues, given that the Svatovo community consists of the town of Svatovo and 10 villages, the question arose of purchasing a mobile communication hub with the equipment presented in the table:

A list of necessary equipment for deploying a communication hub:

№	Name of the equipment and materials	Unit of measurement	Quantity	Estimated price in Ukraine, cost per unit, €	Estimated price in Ukraine, total cost, €
1	Repeater Hytera HR1065, 5-50W, DMR Tier II Includes: 4U ABL3U plastic case, RackCase, wheels for 19" equipment, 12V 22A battery, DF-VM6-SL duplexer, CSA-1-N lightning protection, RG-213 coaxial feeder, 50 Ohm (30 meter bay), 0.45 cm connection cable with UHF connectors, CSTD-1602 dipole base antenna.	kit	1	5 240,00	5 240,00
2	Portable digital radio Hytera HP705 VHF / UHF (with battery and charger)	unit	30	643,00	19 290,00
3	Replacement battery for Hytera HP-7xx BP2403 radios - 2400 mAh	unit	30	110,00	3 300,00
4	Telescopic mast for antenna receiver	unit	1	360,00	360,00
Total:				6 353,00	28 190,00

I am compelled to appeal to you for support and ask for your assistance in purchasing the equipment.

On behalf of the Svatove community, I thank you, dear Mr. Audrius, as well as the residents of Plunge for your concern, financial assistance, sincere concern for the fate of Ukraine and strong partnerships!

Regards

The head of Svatovo
city military administration

Oleksandr MITKEVYCH
