## STANISLOVAS NARUTAVIČIUS CADET LYCEUM OF ŽEMAITIJA

Our long-term goal is to transform  
Alsėdžių Stanislovo Narutavičiaus  
Gymnasium into a fully-fledged  
Stanislovas Narutavičius Cadet Lyceum  
of Žemaitija by 2024.

## THIRD AGE UNIVERSITY

The purpose of university is to help older people adapt to changes in society, encouraging them to self-expression, activity, active life, lifelong learning according to their needs and capabilities.

## “SAULĖS” GYMNASIUM

The school participates in various international projects like Erasmus+ and Nordplus which involve collaboration with schools from other countries. This indicates their openness and experience with international partnerships.

## TOURISM AND CULTURE

83 accommodation facilities [2024]

205 293 visitors [2023]

## Tourism Information Center

Our Tourism Information Center is a great resource for planning your trip to Plungė. They can provide you with information on a variety of topics, including: accommodations, things to see and do, events, transportation and etc.

This institution promote the Plungė tourism through various channels, like social media, websites, and attending travel trade shows.

## Žemaitija National Park Directorate

Žemaitija National Park is a stunning natural area. The park's landscape is characterized by rolling hills, dense forests, and over 40 lakes, with Lake Plateliai being the largest and deepest, reaching a depth of 47 meters. This network of lakes makes Žemaitija National Park a popular destination for water-based activities like swimming, kayaking, canoeing, and sailing. Visitors can also enjoy hiking, biking, and birdwatching along the park's many trails.

The Žemaitija National Park Directorate is the main governing body responsible for the park's management and operations. It acts like an institution specifically focused on Žemaitija National Park.

Both could be valuable partners for various tourism-related projects and initiatives.

## Samogitian Art Museum

It is the first regional art museum in the country and was founded in 1994. The museum is housed in the neo-Renaissance style Palace of Count Michał Oginski, which was built in the 19th century.

The museum's collection includes over 10,000 works of art, including paintings, sculptures, graphics, and folk art. The collection focuses on the art of Žemaitija (Samogitia), a region of western Lithuania. The museum also houses a collection of works by Lithuanian artists from other regions, as well as a collection of foreign art.

## Plungė Public Library

It is the main library in the Plungė District Municipality and serves as a cultural and educational center for the community.

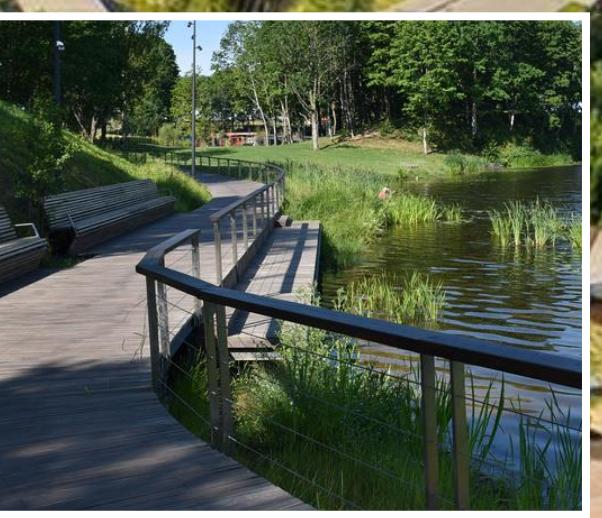

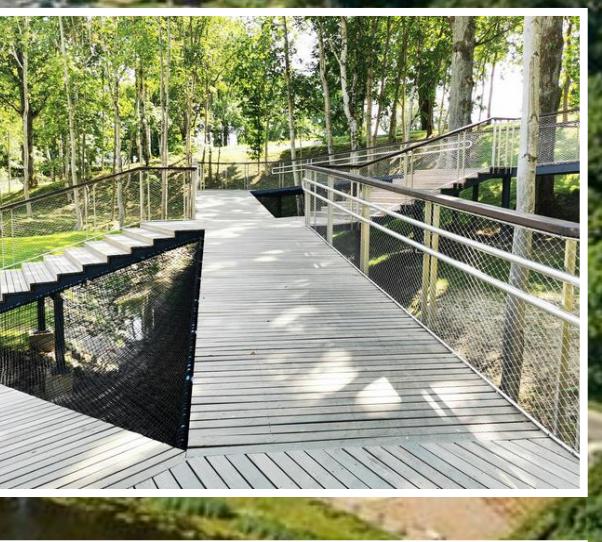

The library's collection includes over 100,000 books, periodicals, and other materials in Lithuanian and foreign languages. The library also has a large collection of audio and video materials, as well as access to a variety of online databases.

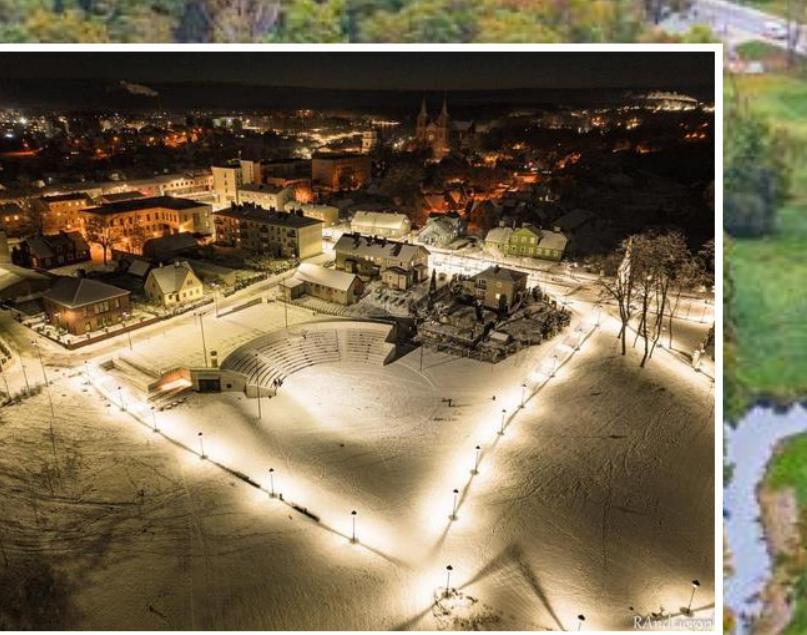

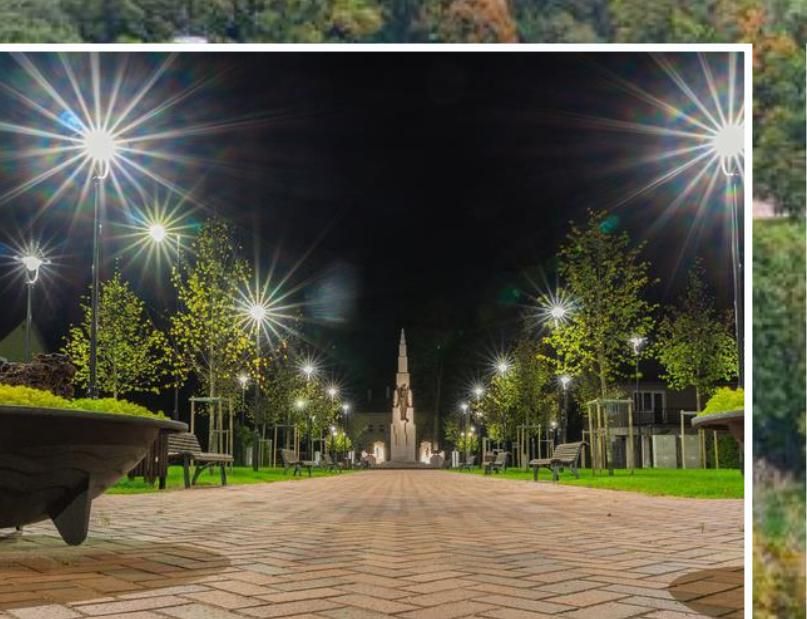

## Plungė Culture Center

It is a vibrant hub for arts, culture, and entertainment in the town of Plungė. Situated in the heart of the city, it serves as a cornerstone of the community, offering a diverse range of programs, events, and activities for people of all ages and interests.

It likely collaborates with various partners, such as educational institutions, local businesses, individual artists and etc., to fulfill its mission and deliver its diverse range of programs and events.
